38 - To Receive any Community Councillor Cases	4
39 - To Receive the County Councillors Report	4
40 - To Receive any Correspondence	4
41 - To Note the Date of Next Meeting	26

MINUTES OF MEETING

BEDLINOG & TRELEWIS COMMUNITY COUNCIL MEETING

Minutes of the ORDINARY MEETING OF Bedlinog and Trelewis Community Council - Council Meeting held on **Thursday 11 July 2024 at 6:15 PM**. The meeting was held in the **Microsoft Teams**.

Present: Cllrs Beard (Chair); Preston, Dawson; Thomas; Matthews
Apologies: Cllrs Searl; Brown; Jago
In Attendance: County Cllr Michelle Symonds; PC Cozens
Minute Taker: Ryan James

11 TO RECEIVE APOLOGIES FOR ABSENCE

Apologies were received from Cllrs Searl, Brown, and Jago.

12 TO RECEIVE DECLARATIONS OF PERSONAL/PREJUDICIAL INTEREST

There were none.

13 TO RECEIVE REPRESENTATIONS/QUESTIONS FROM THE PUBLIC

There were none.

14 MEETING WITH THE POLICE REPRESENTATIVE

PCSO Cozens was in attendance but was unable to speak due to the technology being used at the Police Station to join the meeting.

Details of incidents over the last 30 days was provided in the chat function for Cllrs information.

The Clerk raised that there has been a second incident of theft and criminal damage at Manor View allotments and the residents were advised to report this to the Police.

Cllr Preston raised concerns that the PACT meetings are not held in Bedlinog, and residents are not seeing a police presence.

15 TO APPROVE MINUTES OF THE MEETING HELD 13 JUNE 2024

RESOLVED that the minutes of the meeting held 13 June 2024 be approved.

16 TO RECEIVE ANY MATTERS ARISING

Repairs to path leading from Bedlinog Community Centre to Bedlinog Recreational Ground – the Head of Highways and Engineering at MTCBC has advised that they could not request any funding for new capital schemes this year due to budget cuts. Budget had to be offered back on their original capital programme list meaning they are not able to deliver projects they had planned; therefore, they do not have a budget to carry out this work at present. They will be looking at requesting new capital schemes for next financial year pending budget review.

The Community Council 50th party with members of the Community Hub was postponed from 27th June due to the pre-election period and has now been scheduled for Thursday 25th July. Representatives from the Community have been invited.

A part cannot be sourced for the water fountain in Nant Llwynog Park, following damage caused to it. RockUK have requested the removal of the water fountain from outside the Summit Centre, so this will be moved and re-located to Nant Llwynog Park.

The Clerk has met with the Internal Auditor to discuss the one recommendation in the report – it was identified that there was a typo on the expenses timesheet which resulted in the amount on the timesheet not corresponding with the bank statement. This has now been rectified and the timesheet updated.

Cllr Brown reported overgrown brambles in the lane in Cherry Tree Way, Trelewis. A response has been received from MTCBC to state it is not part of the adopted highway.

Cllr Dawson confirmed that he has forwarded the correspondence with MTCBC that County Cllr Symonds asked to look at regarding whether dog waste can be placed in non-specific dog waste bins.

Task: The Clerk to check with Estates to see whether the lane is under another part of the Council.

Task: The Clerk to look at potential National Lottery Nature funding and discuss a joint application with MTCBC.

17 TO NOTE S137 SPONSORSHIP GRANT TO THOMAS JAGO

RESOLVED that the S137 sponsorship grant of £500 to Thomas Jago be noted.

18 TO NOTE NATIONAL DATABANK - FREE DATA PROJECT

An application has been accepted for the Community Council to be part of the National Databank. Virgin media O2, Vodafone and Three donate mobile SIM cards and we can issue these for free to residents that:

- Are 18+ years
 - Have no access or insufficient access to the Internet at home
 - Have no or insufficient access to the Internet when away from the home
 - Are a low-income household and struggle to afford their monthly top up or contract
- If more than one person in the household meets the criteria, they can all receive a SIM card.

RESOLVED that the National Databank project be noted.

19 TO NOTE SPF FUNDING - WEB/DIGITAL GRANT

Hybrid meeting equipment is scheduled for installation 16th July. Website development is currently underway.

RESOLVED that the SPF funding for the web/digital grant be noted.

20 TO CONSIDER ANY PLANNING APPLICATIONS

P/24/0151 | Discharge of conditions 3 (boundary treatments) and 4 (retaining wall details) of planning permission P/23/0153 | Land Adjacent To 48 High Street Trelewis

RESOLVED that there were no objections.

21 TO APPROVE GRANT REQUEST FROM TRELEWIS AND TREHARRIS WELFARE BOWLING CLUB

This will be adjourned to the next meeting as further paperwork is required from the applicant.

22 TO APPROVE PAYMENTS & RECEIPTS FOR THE PERIOD 07/06/2024 TO 07/07/2024

RESOLVED to approve payments & receipts for the period 07/06/2024 to 07/07/2024.

23 TO NOTE THE BUDGET REPORT

RESOLVED that the budget report be noted.

24 TO RECEIVE ANY COMMUNITY COUNCILLOR CASES

Cllr Preston raised disappointment that the Police have not attended the Community Hub and Youth Club to date, and the PACT meetings should be alternated between Trelewis and Bedlinog.

County Cllr Symonds advised that the PACT meeting will be alternated going forward. There is a PACT meeting on Monday 15th July 4.30pm to 5.30pm - the reason for the short notice and why it is being held in Trelewis, is due to high occurrences in Trelewis recently.

Cllr Dawson updated on the repairs to the steps and path at Nant Llwynog Park.

Task: The Clerk to contact PCSO Cozens to clarify that a second PACT meeting is not being requested in Bedlinog, the request is for the meetings to be alternated.

25 TO RECEIVE THE COUNTY COUNCILLORS REPORT

County Cllr Symonds updated on the successful Summer Fun Day and thanked the Community Council for the grant funding awarded. More people attended this year, and it was a great success.

No MTCBC Council meeting has been held due to the pre-election period. The next MTCBC Council meeting is next week and is unable to attend the Events Committee but will forward representations to the Clerk prior to the meeting.

Cllr Ian Thomas stated that one of the main items on the MTCBC Council agenda next week is a revised constitution for approval, and it is available online for review.

26 TO RECEIVE ANY CORRESPONDENCE

It was noted that Cllrs had no objections to the sale of the site of the former public convenience, High Street, Bedlinog. The Clerk has fed back to MTCBC Estates team.

It was noted that Cllrs were in favour of the introduction of a Public Space Protection Order relating to dog owners failing to pick up their dog mess. The Clerk has provided a response to the consultation on behalf of the Community Council.

Reports of issues of parking on Cwm Hill, an incident took place a couple of weeks ago in which pedestrians were in danger. The Clerk has contacted the Road Safety Officer at MTCBC.

Cllr Dawson updated on a meeting he attended which was a Litter Focus Group that was led by Mark from Keep Wales Tidy. This was the first meeting to look at future actions to

prevent littering and fly-tipping in the borough. A further discussion took place on whether dog bins are to be used for dog waste going forward or standard waste bins can be used.

Task: Clerk to write to MTCBC to query what the position is on dog bins going forward.

Task: The Clerk will forward details to County Michelle Symonds re Cwm Hill incident.

27 TO NOTE THE DATE OF NEXT MEETING

The next Council meeting will be held Thursday 12th September.

Meeting concluded at 7:05 PM

This page is intentionally left blank

MINUTES OF MEETING

BEDLINOG & TRELEWIS COMMUNITY COUNCIL MEETING

Minutes of the ORDINARY MEETING OF BTCC Events Committee held on **Wednesday 17 July 2024** at **5:30 PM**. The meeting was held at **Bedlinog Community Centre**

Present: Cllrs Brown, Searl, Matthews, Beard; Rebekah Stone; Cathy Searl
Apologies: Michelle Symonds
In Attendance: Ryan James
Minute Taker: Ryan James

1 ANY APOLOGIES FOR ABSENCE

Apologies were received from Michelle Symonds.

2 ANY DECLARATIONS OF INTEREST

There were none.

3 APPOINTMENT OF CHAIR OF COMMITTEE

RESOLVED that Cllr Brown be appointed Chair of Committee.

4 APPOINTMENT OF VICE-CHAIR OF COMMITTEE

RESOLVED that Cllr Matthews be appointed Vice-Chair of the Committee.

5 COMMUNITY HUB 50TH BIRTHDAY PARTY

The Clerk updated the committee on the plans for the 50th birthday celebration at the Community Hub, and the local groups/representatives that have been invited.

The committee suggested additional invitees.
It was also suggested that the press be made aware of the 50th anniversary.

ACTION: The Clerk will update with a breakdown of cost spent at the next Committee meeting for ongoing monitoring of the events budget.

6 SUMMER TRIPS

The Clerk advised the committee that a grant of £400 has been awarded from TBDT towards a bus for a second community Porthcawl trip.

It was agreed to allow no more than two adults per child to book places, to ensure as many children can attend as possible.

It was recognised that day trips can be expensive, so agreed that a healthy packed lunch be provided for children that attend.

The return time will be amended following feedback from residents on the last trip. Pick-up points will start from 9.30am, with a return from Porthcawl at 4pm.

It was noted that a second community trip will potentially be organised later in the summer holidays, dependent on demand.

ACTION: Clerk to setup booking form and communications to residents.

7 GLO IN THE PARK EVENT

The Glo in the Park Event is intended to take place on the last Thursday of November. The Community Council will be working with FOTB to deliver the event.

The Clerk and RS updated the committee on the actions that need to be taken. It was agreed that a September meeting of the committee would be required as part of the planning.

ACTION: Cllr Searl will speak with his community supermarket contacts regarding the selection boxes.

ACTION: The Clerk to manage the event application and venue arrangements.

ACTION: RS to contact Cadets and St John's Ambulance

ACTION: VM to contact Treharris Choir.

ACTION: The Clerk and RS to meet to develop the cost plan and feedback to the committee.

8 CHRISTMAS FAYRE

The venue for the Christmas Fayre this year will be the Summit Centre. Initial conversations have been taken place and a meeting is being held with the Clerk, Chair, and Vice-Chair of

Committee, and Head of Activities and Leisure at the venue. An update will be brought back to the next committee meeting.

Agreed date for the Christmas Fayre is Saturday 14th December 2-5pm.

It was agreed that after supporting the charity 4TOM with the raffle proceeds at last year's Christmas Fayre, this year the Community Council will support Glynbargoed House.

ACTION: The Clerk to contact the bank for a donation cheque to be used for events and grant awards going forward.

9 CHRISTMAS LIGHT SWITCH-ON

Currently the streetlights funded by the Community Council are switched on as and when they are installed. It is an idea to switch them on the same time as the Christmas Tree lights are switched on.

There are some logistical issues as Bedlinog and Trelewis Christmas tree lights are switched on at different dates and the streetlights are scheduled to be installed at the end of November. We would not want streetlights to be installed but remain switched off for a period of time. The Christmas tree lights are switched-on further into December. Michelle Symonds has advised by email that there are no dates planned as of yet, but it is proposed that it will go ahead this year, and also it needs to be taken into consideration that the establishments are responsible for the cost of the energy bills for the Christmas tree lights.

A discussion took place around sponsorship opportunities to support Bedlinog Rugby Club and The Ffaldciach Inn to support them with costs.

ACTION: The Chair, Cllr Brown, to arrange meeting with Michelle Symonds to discuss further and an update brought back to the next Committee meeting.

10 AOB

Cllrs Searl proposed that the Community Council once again provide the free Christmas dinners this year for residents that require them.

ACTION: The Clerk to identify the potential budget line for this and add as an agenda item to Full Council for consideration.

The date of the next committee meeting is Wednesday 4th September 5.30pm, Bedlinog Community Centre.

11 APPENDIX

Meeting concluded at 6:30 PM

Garage conversion plan

Plan Produced for: Morgan Grindal
Date Produced: 31 Jul 2024
Plan Reference Number: TQRQM24213152637466
Scale: 1:1250 @ A4

PROPOSED FRONT ELEVATION PROPOSED REAR ELEVATION

PROPOSED SIDE ELEVATION PROPOSED SIDE ELEVATION

PROPOSED GROUND FLOOR PLAN

EXISTING STRUCTURE
Existing structure including foundations, floor, beams, walls, roof and lintels are to be exposed and checked for adequacy prior to commencement of work and as required by Building Control.

A suitably qualified engineer appointed by the Client is to assess and confirm the existing internal walls prior to their removal to establish if load-bearing and additional support is required.

FOUNDATIONS
Trial hole to be excavated to ascertain whether the garage has a continuous foundation across the infill which is adequate to build off. If there is no foundation provide either:

OPTION 1
Provide new concrete foundation with a width at least the width of the new wall plus 300mm, mix to conform to BS EN 206:2013 (+A2:2021) and BS 8500-2. Depth be a minimum of 1000mm below ground level, to existing foundation depth and to the approval of Building Control to suit site conditions. All constructed in accordance with 2004 Building Regulations A1/2 and BS 8004:2015 Code of practice for foundations (+A1:2020). Ensure foundations are constructed below invert level of any adjacent drains. Sulphate resistant cement to be used if required. Please note that should adverse soil conditions, or any major tree roots in excavations be discovered, Building Control to be contacted and the advice of a Structural Engineer should be sought. OR;

OPTION 2
Alternatively, provide a suitable concrete lintel (2no 100 x 150mm deep concrete lintels (RMC) or 2no 100 x 140 pre-stressed lintels) to span the opening of a single garage door, for larger opening a lintel design will be required, cut lintels into the brickwork below the damp proof course or place onto the concrete foundation projections, provide minimum 150mm bearing to both sides, concrete fill the cavity below lintels to prevent vermin entering the dwelling. To be confirmed with structural engineer.

DPC
Provide horizontal strip polymer (hyload) damp proof course to both internal and external skins minimum 150mm above external ground level. New DPC to be made continuous with existing DPCs and with floor DPM. Vertical DPC to be installed at all reveals.

UPGRADING EXISTING SOLID FLOOR
To meet min U value required of 0.25 W/m²K - The existing solid floor slab must be checked for stability and be free from defects, as required by Building Control.

The existing floor will need upgrading to ensure adequate damp protection and to prevent heat loss. Provide 1200 gauge polythene DPM or 3 coats RIW over existing concrete slab (if required), DPM to be lapped in with DPC in walls. Floor to be insulated over slab and DPM with min 70mm thick Celotex GA4000, 25mm Celotex insulation to continue around floor perimeters to avoid thermal bridging.

A VCL should be laid over the insulation boards and turned up 100mm at room perimeters behind the skirting, all joints to be lapped 150mm and sealed. Finish with 65mm sand/cement finishing screed with light mesh reinforcement.

Care should be taken to ensure any existing airbricks for the main house are not obstructed by this work. If so, they should be extended through the new floor to external air.

EXTERNAL WALLS
OPTION 1 (SOLID WALL)
To achieve min U-value 0.18 W/m²K
Wall constructed using brickwork to match existing at least 328mm thick. Insulate wall on the inside using 100mm Celotex GA4000 insulation. Finish with 12.5mm plasterboard over vcl and 3mm skim coat of finishing plaster. Batten out to provide a nominal 25mm cavity between the masonry and insulation (50mm cavity to be provided if required by building control).

Wall into be provided with a Vandex slurry internally if required by Building Control.

New brickwork infill wall to garage opening to be toothed & bonded every other course to existing wall or alternatively tied using Furfix or similar metal profiles plugged & screwed to existing wall, vertical DPC and movement joint to be provided at abutment.

OPTION 2 - CAVITY WALL
To achieve min U-value 0.18 W/m²K
New cavity wall to comprise 100mm external skin of face brickwork, stainless steel wall ties at 900mm horizontal and 450mm vertical to BS1234, 75mm PIR insulation board to cavity to leave 50mm clear cavity width to external skin, 100mm blockwork internal with 12.5mm plasterboard on 15mm plaster dabs & 3mm skim finish. Walls to achieve a minimum U-Value of 0.18 W/m²K. Cavity to be sealed at eaves with non-combustible cavity barrier such as 6mm masterboard or 12mm gypsum based board. Cavity to be closed at window reveals with Kingspan Kooltherm vertical cavity closer or similar to suit cavity width and are to lap into cavity tray with weepholes, min.2 per opening. Window frame to be pointed externally with an approved mastic compound and sealed from the inside generally with expanding polyurethane foam. Cavity trays to extend a minimum of 25mm beyond the cavity closure and in turn to be closed at their end with proprietary cavity tray stop ends. Tray to rise a minimum of 150mm above the top of the opening.

WINDOW
New window to garage opening to be uPVC double glazed, same size and height as living room with a 20mm air gap and low-e glazing. Provide new similar insulated DPC around opening. New window to meet a minimum 1.4 W/m²K u-value with horizontal and vertical DPC to cills and reveals.

All glazing in critical locations to be toughened or laminated safety glass to BS EN 12600:2002, BS EN 14179 or BS EN ISO 12543-1 and Part N of the current building regulations. i.e. within 1500mm above floor level in doors and side panels within 300mm of door opening and within 800mm above floor level in windows.

EXISTING GARAGE WALLS
Walls that do not require upgrading to receive new 12.5mm plasterboard on dabs and 3mm skim coat of finishing plaster.

NEW INTERNAL WALLS
75mm x 50mm softwood treated timbers studs at 400mm ctrs with 50 x 100mm head and sole plates and solid intermediate horizontal noggins at 1/3 height or 450mm c/c's. Provide min 10kg/m² density acoustic soundproof quilt tightly packed (e.g.100mm Rockwool or Isowool mineral fibre sound insulation) in all voids the full depth of the stud. Partitions to be built off doubled up joists where partitions run parallel or provide noggins where at right angles. Walls faced throughout with 12.5mm plasterboard with skim plaster finish. Plasterboard to be taped and jointed complete with beads and stops.

VENTILATION
New habitable garage to have rapid ventilation via window of an operable area at least 1/20th (5%) of the floor area. Windows also to incorporate background ventilation via trickle vents.

MEANS OF ESCAPE
Provide emergency egress windows to any newly created first floor habitable rooms and ground floor inner rooms.

The window should have an unobstructed clear openable area that is at least 0.33m² and have no clear dimension less than 450mm high or 450mm wide.

The bottom of the openable area should be not more than 1100mm above the floor.

The window should enable the person to reach a place free from danger from fire.

SMOKE ALARMS
Smoke alarms are to be designed and installed to BS5839, Grade D, Category LD3 standard and located a maximum distance of 7.5m from all habitable rooms within the ground-floor. New smoke alarms to be fitted min 300mm from light fittings and walls. Alarms must be connected to a separately fused mains electricity supply with battery back-up and installation must comply with current IEE regulations.

ELECTRICAL
All new electrical work is to meet the requirements of Part P (Electrical Safety) and to be designed, installed, inspected and tested by a competent person to certify compliance with BS 7671.

Switch and socket outlets for lighting and other equipment will be located at appropriate heights between 450mm and 1200mm above finished floor level.

Existing consumer unit within garage to be relocated to agreed location by suitably qualified engineer.

HEATING
Extend all heating and hot water services from existing and provide new TRVs to radiators. Heating system to be designed, installed, tested and fully certified by a GAS SAFE registered specialist. All work to be in accordance with the Local Water Authorities bye laws, the Gas Safety (Installation and Use) Regulations 1998 and IEE Regulations.
