Christmas lights – the Clerk and Cllr Preston are meeting Street Lighting team 13/10/2026.

Cllr Preston and Andrews attended the Marmot launch on Tuesday 29th September 2026. Merthyr Tydfil County Borough Council and partners, including Welsh Government, the local health board, third sector charities, education providers, and others, came together to launch Merthyr Tydfil Becoming a Marmot Place.

Becoming a Marmot Place will involve a new collaborative approach to tackling health inequalities affecting residents, with partners working together to improve people's access to health services, education, employment and housing. Health inequality is unfair and avoidable, differences in people's health, including how long people are likely to live, live healthy lives, the health conditions they experience and the care available to them. A Marmot Place recognises that health inequalities are shaped by people's living, learning and working conditions.

The Marmot team involved will attend the November meeting of the Community Council.

The Miners Welfare Hall has been submitted as a candidate site for the second replacement LDP and the process has also been shared on social media channels.

A total of three hanging baskets have been stolen this year on the route from the Ffald Pub to the Gelligaer junction. We do not have the budget to replace them,

				so will have to investigate bolting the baskets to the lampposts next year to avoid further theft.
